Subject:- Tagging of Aadhaar Number with Electoral Roll database-reg

Under the ongoing NERPAP Programme, the CEOs have been directed to collect Aadhaar Numbers of electors and seed and feed the same in electoral roll database. ~~In this connection, earlier there was a confusion~~ ^{on Aadhaar number sharing} due to Supreme Court's direction dated 24th March, 2014 that the Aadhaar data collected by UIDAI would not be transferred to any other agency without the consent of the individual concerned. Some CEOs have mentioned that because of this direction, a section of electors is not sharing its Aadhaar Number.

* We have obtained a clarification from UIDAI vide their letter dated 2nd July, 2015 which clearly mentions that the Agreement signed between UIDAI and the Commission for Aadhaar Authentication Services is not violative of the Supreme Court's above Order ~~and is as per UIDAI policy~~. We may send a copy of UIDAI's letter to all CEOs for their information as per DFA.
